The mark of time

since 1865

*Guided by light and natural cycles,
we cultivate our vines in harmony with the rhythms of time.
Each gesture is attuned to the seasons, the soils, and the unique
exposures of our parcels, revealing the true character of every
terroir. Since 2008, our 12 hectares of vines have been farmed
according to the principles of organic viticulture.*

Tasting

AGING	About 15 years
-------	----------------

This charming and delicate wine, rich in aromas, is well balanced with a fine structure, a beautiful acidity and very fine tannins.
