

DOMAINE TORTOCHOT

FINE WINES FROM BURGUNDY'S TERROIRS

MOREY-SAINT-DENIS

Terroirs

VARIETY	100% Pinot Noir
AGE OF THE VINES	35 years
SURFACE	0,70 ha
SOIL TYPE	Sandy, silty

Cultivation method

Low vines, high planting density (10,000 feet/ha)

Vinification

Vinification with cold pre-fermentation maceration, pigeages at the beginning of fermentation and gentle reassembly to release tannins and phenolic compounds for 15 days.

This wine is aged 12 months in oak barrels with 10% new barrels.

The mark of time since 1865

*Guided by light and natural cycles,
we cultivate our vines in harmony with the rhythms of time.
Each gesture is attuned to the seasons, the soils, and the unique
exposures of our parcels, revealing the true character of every
terroir. Since 2008, our 12 hectares of vines have been farmed
according to the principles of organic viticulture.*

G. Tortochot

Tasting

AGING	About 10 years
-------	----------------

This wine, rich in aromas of ripe cherries, is well balanced with fine and elegant tannins, a very fine structure and a beautiful acidity.

8, Rue de Paris, 21220 Gevrey-Chambertin, France
